AQUALAABH
Mineral Mix/Feed Supplement

A NATURAL MINERAL PRODUCT

Minerals such as Potassium and Magnesium are essential nutrients for aquatic animals and phytoplankton. Fish and shrimp can get Potassium and Magnesium from the water and their food. Ponds with low alkalinity water usually have low concentration of Potassium & Magnesium. Aqualaabh is an effective solution for mineral deficiency in feeds & aquaculture ponds.

UNIQUENESS OF AQUALAABH

- Aqualaabh is made by mineralization of sea water.
- It contains Natural Minerals.
- It is 100% Bioavailable to the animal in the pond.
- Animal gets Natural nourishment.
- Aqualaabh is eco-friendly.
- Better absorption of minerals hence better growth.

AQUALAABH MINERALS AND THEIR ROLES

- (K) Potassium has a stimulating effect on muscle irritability.
- (Mg) Magnesium is an essential component of bone, cartilage and the crustacean exoskeleton.
- (Na) Sodium plays key role on muscle irritability and in the absorption of carbohydrate.
- (SO₄) Sulphur is an essential component of several key amino acids and vitamins.
- (Cl) Chlorine plays a specific role in the transport of oxygen and carbon dioxide in the blood.
- (Ca) Calcium is an essential component of bone, cartilage and the crustacean exoskeleton.

KEY BENEFITS

- Maintain optimum mineral ratio for better growth and higher survival rate
- Avoids muscles cramps, White Muscle disease and reduces running mortality in shrimp, oxidations of soil and renews fertility
- Mineral enrichment for primary productivity induces regular molting improves pond carrying capacity
- Molting Process Enhancer
- Reduces Osmotic Stress
- Maintains regular structure of hepatopancreas, gills and intestine of shrimp

PRODUCT COMPOSITION

Potassium(K⁺): 7%, Magnesium (Mg⁺): 6%, Sodium (Na⁺): 12%, Sulphate(SO₄⁻): 20%, Chloride (Cl⁻): 28%, Calcium (Ca⁺): 400 ppm

APPLICATION DOSAGE

FEED INGREDIENT: As per feed product composition and requirement.

PONDS: 25 – 50 Kg. or more per week per Acre, based on the mineral requirement.

STORAGE

Store in a cool and dry place. Reseal open pouches.

PACKAGING

25 Kgs. | Plastic bag.

DISCLAIMER: As use of product is beyond our control, any suggestion or recommendations made are without any guarantee beside the quality of the product.
